

Estevan Rodriguez

Full-Stack Web Developer

Developed strong software development skills through my time at Lambda School as well as become a better technical communicator from the many group projects I worked on, and presentations I've given. Proven ability to learn and adapt quickly as well as work well in a team setting. Respond well to criticism and always seek to improve myself both professionally and personally.

Work History

2018-10 -
2019-07

Lane Captain

Amazon , Riverside, CA, California

- I was in charge of a whole section of the warehouse where i had to make sure all packages were accounted for and shipped on time.
- Supervised workers to ensure quota was met for the night.
- Oversaw the training of new employees to ensure they knew exactly what to do.
- Worked with Amazon internal database to locate missing packages, correct errors on packages, and confirm shipment quantities.

Education

2015-09 -
2018-03

Mathematics

University of California, Riverside - Riverside, CA

- Finished 3 years of Mathematics and general study, then I decided to join Lambda School and pursue my passion of web development.
- Member of Coding Club on campus
